Monitor and Display Solutions for Business

Advanced Display Technology

With Mini-LED, OLED, touchscreen, and even basic yet excellent LCDs, INNOCN offers all the best screen technologies.

Thoughtful Features

INNOCN's housing does more than just look great. With integrated docks and full tilt and swivel stands, these monitors will streamline your desk setup.

Value Price

INNOCN built its name as a contract manufacturer for big brands. Cutting out the markup, their house brand monitors offer great value.

Bundle for Margin

Powerpack your computer sales with high margin peripherals from INNOCN. Bolt on revenue and boost your margins in one bundle sale.
